

## BECOME PART OF THE CLIENT (R)EVOLUTION

The Buying Legal Council is the trade organization for professionals tasked with sourcing legal services and managing supplier relationships. Our members work on the client side. They hold procurement, legal operations or other in-house positions at their organizations. Members at every stage in their career benefit from participating in the Buying Legal Council.

We support you through advocacy, networking, education, research, and information.

Joining the Buying Legal Council will enhance your professional training, give you access to practical resources, and connect you with your peers.

You will add more value to your organization and improve your performance by learning from others and their best practices, and avoid reinventing the wheel.

Join the Buying Legal Council today and you will benefit in multiple ways:

### Networking

- Opportunity to learn from and share with other professionals in similar roles
- In-person and online forums for the exchange of ideas, insight, and knowledge
- Access to our LinkedIn group

### Education & Insights

- Educational and professional development opportunities
- Access to summary material on all prior conferences
- Educational material to make your job easier
- Access to proprietary and relevant research

### Working & Interest Groups

- Join our working and interest groups and share your thoughts, learn from others, and deepen your insights through focused peer discussions. The working groups also work on developing best practices.

### Conference Calls

- Monthly "Best Practices" calls: experts present on a variety of relevant topics, such as RFPs, fee arrangements, negotiating with law firms, scorecards for firms and others.
- Monthly "Legal Procurement 101" calls: Seasoned legal procurement professionals are available to answer your questions during these hour-long "open mic" sessions.

### Members-Only Site

- Access to the members-only section of our website which contains a growing number of best practices "Cheat Sheets," White Papers and Primers, slides from conferences and conference calls, and other useful material on legal procurement.
